

If there is a limited number of houses or hotels left and two or more players wish to buy more than the banker has, the banker auctions them off individually to the highest bidder, starting at the lowest price shown on the relevant Title Deed card(s).

Note: You can only join in the bidding if you have room for that house or hotel on one of your properties. You can never buy a house or hotel to use later.

Auctions

If you land on an unowned Street, Transport or Utility and you don't want to buy it, the Banker must auction it.

HELP! I CAN'T PAY!

1 Try to raise money.

If you owe money and can't pay, try to raise money by selling buildings and/or mortgaging properties.

Selling Buildings

Sell Hotels to the Bank for half the cost price and exchange them immediately for 4 Houses.

Sell Houses to the Bank for half the cost price. Houses must be sold evenly across the colour set.

Mortgaging Property

To mortgage a property, you must first sell all buildings in its colour set to the Bank at half their cost price.

To mortgage, turn the Title Deed card face down and collect the mortgage value on the back from the Bank.

To repay a mortgage, pay the unmortgage cost to the Bank (mortgage value +10%), then turn the card face up.

Rent cannot be collected on properties that are mortgaged. However, the increased rent level can be collected on the unmortgaged Streets in a colour set.

1. The Banker starts the auction by offering the space to everyone for ₪10.

2. Anyone can increase the bid by as little as ₪1 (even the Banker and the player who originally landed on the space).

3. The highest bidder wins the auction, pays the Bank, and takes the Title Deed card.

What if no one wants it?

That's fine. No one pays anything.

2 If you're still in debt, you are bankrupt and out of the game!

Do you owe another player?

Give them any **Get Out of Jail Free** cards and all your mortgaged properties.

The new owner must immediately either:

Repay the mortgage (pay the Bank the unmortgage cost).

Or keep the mortgage (just pay the Bank 10% of the mortgage value now).

Do you owe the Bank?

Return all your properties to the Bank. Any mortgages are cancelled. All your properties must immediately be put up for auction. Return any **Get Out of Jail Free** cards to the bottom of the pile.

The remaining players keep playing until there is only one person left in the game, the winner!

5 Choose someone to be Banker. The Banker's in charge of Bank's money, houses, hotels and title deed cards. The Banker can play too, but must keep their money separate from the Bank.

6 Each player chooses a pawn and places it on GO.

PLAY!

How to win

Move around the board buying as many properties (Streets, transports and Utilities) as you can. The more you own, the more rent you'll get. If you're the last player with any money when all other players have gone bankrupt, you win!

Who goes first?

Each player rolls both dice. The highest roller starts.

On your turn

1 Roll both dice.

2 Move forward that number of spaces.

3 Where did you land? Check THE BOARD SPACES section of this guide.

4 If you rolled a double, roll the dice again, and take another turn.

Watch out! If you roll a double 3 times in the same turn, you must Go To Jail!

5 Your turn is over. The player on your left goes next.

Start playing!

That's all you need to know, so get going. Look up the spaces as you land on them.

THE BOARD SPACES

Streets

Unowned Streets

When you land on a Street that no one owns, either buy it or auction it.

Want to buy it?

Pay the price on the board space and take the Title Deed card.

Don't want to buy it?

Then the Banker must auction it. Bids start at ₪10. All players can bid.

Owned Streets

When you land on a Street that someone else owns, pay them the rent shown on the Street's Title Deed card.

Collect colour sets to build Houses!

You can't build Houses until you get a colour set!

- Rent goes up on each Street as soon as you've got the set.
- If you buy Houses, rent goes up even more!
- Later you can upgrade to Hotels!

Transport

Unowned Transport Space

When you land on a transport space that no one owns, either buy it or auction it.

Want to buy it or not? The rules are the same as the streets.

Owned Transport

When you land on a transport that someone else owns, pay them rent. Rent depends on how many transports the owner has.

| | | | | |
|-----------|-----|-----|------|------|
| Transport | 1 | 2 | 3 | 4 |
| Rent | ₪25 | ₪50 | ₪100 | ₪200 |

Utilities

Unowned Utilities

When you land on a Utility that no one owns, either buy it or auction it.

Want to buy it or not? The rules are the same as the streets.

Owned Utilities

When you land on a Utility that someone else owns, pay them rent.

Roll the dice again to decide rent. If owner has 1 Utility, rent is 4x the dice roll. If owner has 2 Utilities, rent is 10x the dice roll.

ACTION SPACES

GO

If your move took you onto or past the GO space, collect ₪200 from the Bank.

Chance / Community Chest

Take the top card from the matching pile and immediately do what it says. Return it to the bottom of the pile when done.

Lost Lunch Fee / Unhealthy Snack Tax

Pay the Bank the amount shown on the space.

Free Parking

Relax! Nothing happens.

Just Visiting

Don't worry. If you land here, just put your token in the Just Visiting section.

Go To Jail!

Move your token to the In Jail space immediately! Do not collect ₪200 for passing GO. Your turn is then over. You can still collect rent, auction, buy Houses and Hotels, mortgage and trade while you are In Jail.

How do I get out of Jail?

You have 3 options:

- Pay ₪50 at the start of your next turn, then roll and move as normal.
- Use a Get Out of Jail Free card at the start of your next turn if you have one (or buy one from another player). Put the card at the bottom of the pile, then roll and move.
- Roll a double on your next turn. If you do, you're free! Use the roll to move. You can use up to turns to try for a double. If you don't throw a double by your third turn in Jail, pay ₪50 and use your last roll to move.

BUILDINGS

Building Houses

As soon as you get a colour set, you can start buying Houses (you don't have to wait for your turn). Pay the Bank the cost price on the Title Deed card and place a House on the Street.

Build evenly. You cannot build a second House on a Street until you've built one on each Street in the set. You can only have 4 Houses on a Street.

Building Hotels

Once you have 4 Houses on a Street, you can pay to upgrade to a Hotel. Pay the Hotel cost price on the Title Deed card, return all 4 Houses to the Bank, and put a Hotel on the Street. You can only have 1 Hotel per Street. You can't add any more Houses.

Running out of Buildings

If the banker has no houses left, you must wait for other players to return theirs before you can buy any. Players have to wait until houses are traded in for hotels before they can buy them.
